WOODSTOCK SKI RUNNERS
Suicide Six Friday Program
2017 SCHOLARSHIP APPLICATION

Woodstock Ski Runners (WSR) encourages all eligible individuals to participate in our skiing programs. Financial need should not be a deterrent to any individual. The amount of financial support available each season will depend on the amount of scholarship money available and the number of families seeking assistance. Grants are intended for skiers who would ***not*** be able to participate in the programs without such assistance.

All requests will be respectfully received and confidentially reviewed by the Executive Committee of the WSR board. So that no judgment or subjective thinking will be involved in that review, we must ask for an annual household income disclosure. Your income, the federal guidelines that public schools use to determine who shall receive free or reduced school lunches and DHMC's guidelines for providing free or reduced health screenings, help guide us in our decision making process. Please provide any documentation that will aide us in our decision.

To request financial assistance for the 2017 season, your request must be received no later than **December 1st, 2016**. There are a limited number of equipment scholarships available. These will be granted based on need and in the order request s are received!
