

**WOODSTOCK SKI RUNNERS**  
**Alpine and Nordic Runners Teams**  
**2016-17 SCHOLARSHIP APPLICATION**

Woodstock Ski Runners (WSR) encourages all eligible individuals to participate in our skiing programs. Financial need should not be a deterrent to any individual. The amount of financial support available each season will depend on the amount of scholarship money available and the number of families seeking assistance. Grants are intended for skiers who would not be able to participate in the programs without such assistance.

All requests will be respectfully received and confidentially reviewed by the Executive Committee of the WSR board. So that no judgment or subjective thinking will be involved in that review, we must ask for an annual household income disclosure. Your income, the federal guidelines that public schools use to determine who shall receive free or reduced school lunches and DHMC's guidelines for providing free or reduced health screenings, help guide us in our decision making process. Please provide us with any information you think would help us in our determination.

To request financial assistance for the 2016-17 season, your request must be received no later than December 1, 2016. Please complete the following:
